rubber journal index

volume 149

Items listed in this index include an indication of the type of article in which they originally appeared. The abbreviations used, and their meanings are as follows:

AL — American Letter
Art — Article
Aut — Author
BR — Book review
CNC — Company news and comment
ETR — European Technology Review
Focus — Focus
MPE — Materials, products, equipment
PF — Personnel file
PP — People and Places
PS — Patent specifications
Pub — Publication
RR — RAPRA Report
SS — Soviet scene
ST — Standards and Testing
VR — Views and Reviews
